

## Program Solicitation: Universal Design Leadership Project

This Program Solicitation requests proposals to carry out a project that will create greater public awareness of and demand for universal designed environments, by educating designers, consumers, educators, developers, city planners, and others on this important design process. The successful proposal must outline a project that will involve collaboration with the targeted audiences, using innovative strategies in order to meet the broad social need, while bringing universal design into the mainstream. The proposal selected will form the basis for a Cooperative Agreement that the Endowment will enter into with the selected organization to carry out the proposed project.

Proposals in response to this solicitation in original and five (5) copies will be received at National Endowment for the Arts, Grants & Contracts Office, 1100 Pennsylvania Ave., NW., Washington, D.C. 20506, or if hand carried, in Room 618, until 4:00 p.m. on November 2, 2006.

The complete program solicitation is available as a **PDF** document.
